

The background of the poster is a dark blue night sky. In the top left corner, there is a large, pale yellow full moon. Several black silhouettes of bats are flying across the sky. On the right side, there are black, gnarled tree branches reaching upwards. Small white dots representing stars are scattered across the sky. A black spider is hanging from a thin line on the right side of the central text area. The central text is on a light grey, rectangular background that looks like a tombstone.
